

April 25, 2021

Dear Coach Jay, Coach Evan, and Mr. Drescher,

Thank you for consideration to coach the White Caps this coming summer. I believe my history with the team for over a decade has given me the unique skills required to coach our future Tsunami swimmers. I also looking forward to help promote team spirit and fun that we all are seeking with the post Covid season.

In summary what stands out with the Tsunamis is the emphasis on “we” rather than individual accomplishments. The season ahead will reflect a culture of development and team spirit we’ve had in the past. If given the opportunity you could count on me to promote this mindset with on and off the pool deck.

Thank you again for your consideration and I’m looking forward to our upcoming season.

With Gratitude,

Ethan A. Marterella

Jobs and Leadership Experiences

Lawn and Home Care

Since 2017 I have been working with and for my neighbor doing services for them around their house. These experiences have reinforced valuable lessons about not only doing the best work you can but also finding a way to push yourself forward even when the work is tedious or monotonous.

Babysitting

I have two younger brothers who are aged 5 and 10. Throughout the years I have been the go-to person my mom asks to watch them. Those experiences have helped me strengthen my patience, problem solving, and peace keeping skills with younger children.

Extracurriculars and Athletics

SCA Class Delegate; current
-Piedmont Tsunami Swimmer; 2010 - current
-BHS Varsity Swimmer; 2020-2021 season
-National Junior Honors Society; 2019-2020
-Robotics Club; 2018-2019
-Political Club; current
-BHS Varsity Rower; current
-Former Middle school Ambassador; 2017-2020
-Middle School Soccer; 2019 season

Skills

I am a very thoughtful and patient person but can be assertive when needed. My leadership and communication are things I believe to be my strongest asset.
